Dear Sir:

Through Dr. Kurt Regling of the Berlin Museum, I have been referred to you for information I desire in connection with a bibliography of Greek coin hoards which is being prepared under my direction. Dr. Regling has informed me that you published a catalogue of Finds of this nature in Rumania. May I ask that you kindly write me the name of the publisher from whom it can be procured, and the cost. Also, is there any numismatic publication in Rumania?

I should much appreciate this information, and if I can in any wise reciprocate, I shall be happy to do so.

Very truly yours,

Secretary

Dear Sir:

I very much desire to secure a complete set of the "Bulerinul Num. Associ. Roumanien" from the beginning down to the present time, and to enter the subscription of our Society for future numbers. Can you quote me a price of such a complete set? We should want it sent to us by parcel post which would make necessary an addition for packing and postage.

I should very much appreciate an immediate response because I desire to use this periodical in making a bibliography of Hoards of Greek Coins which is under preparation.

Very sincerely yours,

Secretary and Librarian.

Dear Sir:

Thank you very much for your letter of October 10th. We shall be very glad to place the name of your Society on our Exchange list, and, under separate cover, we are sending the back numbers of Numismatic Notes & Monographs, with the exception of two issues which are out of print.

I am also sending through our bank a Draft for $4.00 which I trust will reach you in due season.

In preparing a bibliography of Greek coin hoards, I desire the Buletinul for checking a number of references given me by Dr. Regling. I should be very glad to have you inform me, if that is possible, whether there are any unpublished hoards of Greek coins in the collection of Bucuresti.

Very truly yours,

Librarian & Secretary
